## *Small Schools Invitational 2014*

Dear Coach/AD:

It is my pleasure to invite you to the fourth annual Small Schools Invitational hosted by Calvin Christian High School. This year we will hold the meet again **at Escondido High School** on their beautiful all weather tartan track and new stadium! The meet will be held on **Saturday, March 29, 2014**. The field events will start at 10:00, and running events at 10:00, with a coaches meeting at 9:20 AM. The meet will be finished no later than 5:00 PM.

There are a couple of unique and exciting elements of the meet for your athletes. The meet is for small schools only, with enrollments of 1000 and less, making the competitive field better for your small school athletes. We will also be holding a Frosh/Soph division in all events, so your younger athletes can compete against their age group and earn medals in a competition more suited for them. We will award custom medals to the top 3 place finishers for both boys and girls in the Varsity and Frosh/Soph divisions for all individual events, and for the winner in relays for each division.

The entry fees are suitable for your small schools at \$15 per athlete to a maximum of \$150 per gender team. If you bring both girls and boys teams with more than 10 athletes each gender your total entry fee is only \$300 (for Varsity and Frosh/Soph). There will also be trophies for track event and field event athletes of the meet for each of the 4 divisions.

I have included meet specifics in the meet flyer. Entries will be done online at Athletic.net. After entering your athletes, please mail a check to Calvin Christian School at the address below. If you have further questions please email or call to contacts listed in the meet information. If you are interested in attending this year's meet please fill out the enclosed contract and mail it or fax it as soon as possible. If you are unsure of your entry numbers you can wait with the check until we get closer, but please mail in the contract as soon as possible so we know how many schools to expect.

Finally, we are hoping to add a special event for the throwers and anyone else who is interested. We hope to bring in some experienced throwers to do an exhibition in the hammer throw and the javelin. There are several sources we are contacting now, and hope to have a couple of each thrower to demo and explain the events. More to follow on that!

Field events will run in flights with 4 attempts in the horizontal jumps and throws.

**Deadline:** Entries must be completed online on athletic.net no later than Wednesday, March 26, 5:00 PM. You need to learn to use athletic.net – it is possible for everyone! Don't ask for an exception – learn the system!

**Eligibility:** All entrants must be enrolled in CIF member schools.

**Age Divisions:**

Frosh/Soph	Freshman & Sophomores
Varsity	Juniors, Seniors & and underclassman who wish to move up

**Event Limitations:** 4 events per athlete. Limit of 2 entries per event per division on the track and 3 in the field. We are imposing these limits per event limit this year because of significant no shows in previous years. Do not enter athletes who will not show! This causes significant delays to the meet AND gives us heats with empty lanes. With the Frosh-Soph and Varsity Div, this still gives you 4 athletes per gender per event on the track and 6 in the field! Everyone should be able to compete!

**Awards:** Beautiful custom medals for 1<sup>st</sup> – 3<sup>rd</sup> in all individual events for all 4 divisions (Varsity & Frosh/Soph, boys and girls). Medals to the champions in relay events in each division. Awards will be given at the conclusion of each event on the awards podiums at center field. Athlete of the meet trophies will be awarded to Field Event and Track Event athlete of the meet for all 4 divisions, chosen from coach nominations. No team awards or team scores.

- Entry Forms:** Please fill out the attached contract and Email or mail back to Bill Stout. Mail your check for your team entry. Entries on Athletic.net or on emailed spreadsheet if you are not on athletic.net.
- Check-in:** **Running Events:** Report to the clerk no later than the start of the event prior to your event. Two calls will be given for each event; athletes not reporting will be scratched.
- Field Events:** Report directly to your event area when the event is called. HJ and PV will be run 3 alive. All other field events will be given 4 attempts in flights of 6-8. Flights of 6-8 will be made as athletes show up at the event. If they have conflicting events, they need to get field event attempts in EARLY – request being put into an early flight. This will eliminate delays while waiting for athletes, and athletes do not need to wait in line for an “open pit” style of competition.
- Protest:** Please discuss the matter with the meet directors; Todd Nash for field events, and Mike Wagenveld for track events. Call us on our cells.
- Meet Results:** Meet results will be posted on Athletic.net after the meet is complete. There will NOT be results posted at the meet! We are in the electronic age – we will use the internet for results!!
- Concessions:** A full concessions stand will be available at the track with excellent, reasonably priced food and drinks.
