- If there are still openings short of the **minimum of 27 entries per event**, the Seeding Committee will select the best of all at-large nominees submitted in order to reach 27 entries.
- A league may petition to have an athlete entered into CIF prelims as an at large entrant if the league feels that the athletes mark was adversely affected due to a situation at the venue that was out of the athlete's control. The league rep must submit

the petition at the Saturday at-large meeting to the track & field advisory committee. The advisory committee will vote on the submitted petition. All decisions are final and the decision may not be appealed.

NOTE: No school may enter more than one relay team per event.

8. **PRELIM ENTRY RESPONSIBILITY**

The league representatives or his/her designee will be responsible for submission of entries from their league to the Seeding Committee. Individual coaches are responsible for the submission of entries to their advisory committee representative. The responsibility includes the completion of the Finals Results Sheet. - c. No individuals may be listed in more than four individual events.

10. **AT-LARGE SELECTION**

The at-large selections for prelims will be conducted by the Seeding Committee. At-Large selections will be determined by best mark at league finals. These marks will be taken from "The league finals results sheets" turned in by the league representatives.

SEEDING MEETING

Prelims: (Prelim heat placement will be done by the Seeding Committee).

- **Track Events** - The field will be divided by talent into heats. The lane assignments for these entries will be done by time. NOTE: This may result in more than one athlete from a school in the same heat.
- **Field Events** - All finalists will compete in inverse order according to marks achieved at the league/conference level.
- **Heat Sheets** – will be posted on the CIF web site on **Friday, May 18th.**

11. **HEATS IN PRELIMS**

There will be three (3) heats in prelims in all events except: The 800m and 1600m where there will be two (2) heats, and the 3200m where there will be one (1) heat. In some situations the meet management committee may change the number of prelim heats to accommodate the number of entries.

12. **FIELD EVENT FLIGHTS IN PRELIMS - FINALS**

Long Jump, Triple Jump, Shot Put, and Discus: Entrants will be placed and listed in flights of six to ten (6-10) athletes. Competitors will compete in inverse order according to qualifying marks at the league/conference level. Each athlete in each flight will be given the opportunity for three attempts before the next flight takes its trials. The nine best performers in each event in the Prelims advance to the Finals. Marks made in the Prelims will not carry over or be counted in the Finals. In the Finals, each of the competitors will be allowed six (6) trials: 3 preliminary trials, followed by 3 additional trials after reversing order determined by preliminary trials. **Note:** An athlete in the finals must have a legal mark in one of the 3 preliminary trials to receive 3 additional trials

High Jump and Pole Vault: The vertical events will be conducted "**5 alive**" with the athletes competing in inverse order according to qualifying marks at the league/conference level. A minimum of 9 will qualify for the finals in each division. The miss rule will be applied to limit each field to 9 (See Rule 7-6/Art 30, page 60 of National Federation Rule Book.). When the miss rule is applied and if there are still ties a maximum of 12 will be allowed to advance to either Division I or Division II finals. If there are more than 12 in a division a jump-off will occur involving those who are tied on number of misses.

13. **QUALIFYING SECTION PRELIMS INTO SECTION FINALS – Running Events:**

The top nine (9) Division I finishers and nine (9) Division II finishers in each event will qualify into Section Finals. Exception: In the 1600m and 3200m, the top 12 in each division will qualify for CIF Finals.

- a. The top 9 marks from either Division I or Division II will be seeded into the “A” heat. Exception: the top 12 in the 1600m/3200m will be seeded into the “A” heat. **Note:** A heat winner in prelims is **NOT** guaranteed entry into the “A” heat in finals
- b. The remaining 9 marks will be seeded into the “B” heat. In the 1600m/3200m, the remaining 12 will go into the “B” heat.
- c. In **Finals** both the A and B heats of the 3200m will run in the same race.
- d. In **Finals** – When there are two heats, the “A” heat will go first. If a person from the “A” heat scratches from an event, the next fastest person from the “B” heat will be moved into the “A” heat, unless the alternate has a better mark than anyone in the “B” heat. Depending upon the division of the athlete who scratched, the next alternate in that division will be moved into the “B” heat. Example: A DI athlete drops out of the “A” heat. The next best mark in the “B” heat is from DII, they move into the “A” heat, the next best mark from the DI alternates list then moves into the “B” heat.
- e. **Note:** Only athletes in the “A” heat or flight may qualify for the state meet.

- d. In **Finals** – When there are two flights, the “A” flight will go first. If a person from the “A” flight scratches from an event, the next person from the “B” flight will be moved into the “A” flight, unless the alternate has a better mark than anyone in the “B” flight. Depending upon the division of the athlete who scratched, the next alternate in that division will be moved into the “B” flight. Example: A DI athlete drops out of the “A” flight. The next best mark in the “B” flight is from DII, they move into the “A” flight, the next best mark from the DI alternates list moves into the “B” flight.
- e. **Note:** Only athletes in the “A” flight may qualify for the state meet.

When the miss rule is applied and if there are still ties a maximum of 12 will advance to either Division I or Division II Finals. If there are more than 12 in a division, a jump-off will occur involving those who are tied on misses.

- a. The top 9 marks in Division I and Division II will advance to the “A” flight in finals. The remaining 9 will be placed in the “B” flight.
- b. If there are ties advancing into the “A” flight for finals, the miss rule will again be applied. Depending upon the division of the athlete who scratched, the next alternate in that division will be moved into the “B” flight. Example: A DI athlete drops out of the “A” flight. The next best mark in the “B” flight is from DII, they move into the “A” flight, the next best mark from the DI alternates list moves into the “B” flight.
