

San Diego Section High School

2026

The Herbst twins, Morgan (left) and Makenna from Carlsbad, each set an all-time state best at the state meet. Morgan's time of 39.64 for the 300 hurdles was the best in the nation and earned her the honor of CIF girls' Track Athlete of the Year. Morgan's time for the 300 hurdles was second in US history to Sydney McLaughlin. Makenna's time of 2:02.28 for the 800 was only a quarter of a second off the all-time California record. Both girls set section records for their event.

Thanks, Thanks, Thanks

These lists would not be possible without the help of track and field supporters like Don Jones, George Green, Rick Smith, Buzz Thom and dozens of others. Thanks to Phil Grooms for his brilliant photos. Rather than mention everyone, let's just say this is a labor of love by a lot of people who still find high school track the most exciting of all sports. No part of these lists can be duplicated without the expressed written consent of the editor.

2025—TWO STATE, EIGHT SECTION RECORDS

When all was said and done, 2025 proved to be a sensational season.

Never before had section athletes set three state and eight section records in one season. Instead of volume—in 2024 a whopping 10 state gold medals were earned—there was lofty quality like never seen before.

The brother-sister act of freshman Jasir Fontenot and his senior sister Anisa Bowen-Fontenot of San Diego High were joined by twin sisters Makenna and Morgan Herbst of Carlsbad to obliterate two of the all-time state bests, earning four individual state gold medals among them.

Morgan Herbst moved into heady territory when she dipped under 40 seconds twice in the 300-meter hurdles, first hitting 39.95 to win the section and erasing the all-time best in the state of 39.98 by Lashina Demus of Long Beach Wilson in 2001. She came back to run away with the state title, clocking a time 39.64, second nationally only to the 38.90 by Sydney McLaughlin in 2017. The state meet record—40.10 by Wilson's Ebony Collins—obliterated.

The 39.64 was the No. 1 mark in the nation.

Jasir started quickly and just got faster and faster, lowering the year-old section 110-meter hurdle record three times before blasting a time of 13.31 seconds in the state prelims to move to No. 1 all-time in California. The previous best was 13.33. It was the No. 4 mark nationally. In the finals he ran even faster—13.21—but was aided by a 2.4 meter per second wind that erased that mark for record purposes. Remember, he was just a freshman and will compete for Mater Dei Catholic this spring.

Both Bowen-Fontenot and Makenna Herbst came oh, so close, to state records.

Bowen-Fontenot defended her state 100-meter hurdle title when she ran 13.22 to qualify and then 13.07 to win. The state and all-time California record is 13.03 by San Jose Mt. Pleasant's Vashi Thomas. Bowen-Fontenot entered the season as the section record-holder at 13.59 and ran three faster times.

Makenna Herbst had her eyes set on the all-time state 800 record of 2:02.03 by Harvard-Westlake's Amy Weissenbach set in 2011 and just missed by a blink when she ran 2:02.28 to win the state gold medal. All she did was lower the section record, set just a year earlier by Poway's Tessa Buswell of 2:06.51, four times.

The Herbsts were joined by schoolmates Raynetta Hawkins and Citina Nardi who combined to rewrite the 4x400 record three times, the last by running 3:45.00 to place fourth in the state. The previous best was 3:47.63 by Cathedral Catholic 10 years ago.

La Jolla junior Chiara Dailey took advantage of a high-quality field to finish second in the Arcadia Invitational mile and her time at 1600 meters, 4:40.28, was 0.01 below the 4:40.29 by Eastlake's Jaelyn Williams a year earlier. She ran 4:37.08 at the HOKA Festival of Miles during the summer.

Another 11th-grader, Brandon Arrington, was untouchable in the 100 and 200, clocking times of 10.21 and 20.35 to move to the top of the section list in both events. A huge state favorite as the two-event defending champion, Arrington (who is now at Texas A&M) suffered a hamstring injury in the Grossmont League championships and could not run in the state meet.

The other state champion was Del Norte pole vaulter Paige Echsner who led the state all season with her 13-foot, 10-inch clearance in the Division 1 Championships. She was the only one to clear 12-10 in Clovis.

Note: National Federation High School rules say section records must be set during the season of sport and the San Diego Section follows those guidelines, so once the state championships are over, any mark set by that individual or a relay team with that individual, can't be considered for record purposes but can be an all-time best.
